Short Bio: Marco Percoco is a professor of applied economics specializing in energy, transport and sustainability in the Department of Social and Political Sciences at Bocconi University, where he is also the founder and director of the GREEN - Center for Research in Geography, Resources, Environment, Energy, and Networks. He has published over 100 articles on topics such as transportation economics, energy, the environment, and real estate markets. Currently, he is a member of the Working Group on Critical Raw Materials at the Ministry of Enterprises and Made in Italy. In recent years, he has been a member of the Technical Nucleus for the Coordination of Economic Policy (NTPE) of the Prime Minister's Office, as well as the Vice-chairman of the Bureau of the UNECE Working Party on Public-Private Partnerships and a member of the Ministerial Commission on Climate Change, Sustainable Infrastructure, and Mobility at the Ministry of Infrastructure and Sustainable Mobility. In the past, he has served

as a consultant to the OECD, the EIB, the WHO, the United Nations, the World Bank, the IADB, the Government of Ethiopia, and many ministries and regional governments. He has also been a member of the Core Group for the Implementation of Public Service Regulation (NARS) and the Evaluation and Verification Core for Public Investment (NUVV) of the Prime Minister's Office. He provides economic consulting services in the fields of regulation and the evaluation of infrastructure and real estate projects for leading law firms and companies.

CURRICULUM VITAE ET STUDIORUM INDEX

1. Academic Career

3. Institutional Activities
4. Professional Activities

1. Academic Career

Education

2004	Università degli studi di Genova PhD in Transport Economics
2000	Università Commerciale "L. Bocconi" B.Sc. in Economics

Ruoli accademici ricorperti

2018-present	GREEN Università Bocconi
--------------	--------------------------

	<i>Founding director</i> the Center for Geography, Resources, Environment, Energy and Networks
2016- present	Università Bocconi <i>Associate professor of Applied Economics (Transport, Energy and Real Estate),</i> Department of Social and Political Sciences
2008-present	SDA Bocconi School of Management <i>Professor of Infrastructure Project Appraisal and Sustainable Mobility</i>
2019-present	Scuola Nazionale dell'Amministrazione <i>Adjunct Professor of Infrastructure Project Appraisal</i>
2018-present	Università Roma Tre, Centro Ricerche Economiche e Sociali "Manlio Rossi-Doria" <i>Research Fellow</i>
2018-2019	INPS <i>Visiting Scholar</i>
2008-2016	Università Bocconi Department of Policy Analysis and Public Management <i>Assistant professor of Applied Economics</i>
2016-2017	Gran Sasso Science Institute, PhD in Urban Studies and Regional Science <i>Director</i>
2013	London School of Economics, Department of Geography and Environment <i>Visiting fellow</i>
2001-2017	Centro di Economia Regionale, dei Trasporti e del Turismo (CERTeT), Università Bocconi <i>Director of International Research Activities</i>
2009-2011	University of Trento, Graduate School of Local Development and Global Analysis <i>Visiting Professor</i>
2002 e 2006	University of Illinois at Urbana-Champaign, Regional Economics Applications Laboratory <i>Visiting scholar</i>
2005-2008	Università Bocconi Department of Economics <i>Research Fellow</i>
2003-2006	Università della Valle d'Aosta <i>Adjunct Lecturer</i>
2000-2001	Università di Bergamo <i>Adjunct Lecturer</i>

Academic commissions

2022-present	Member of the Sustainability Committee, Bocconi University
2022-present	Member of the Budget Committee, Department of Social and Political Sciences, Bocconi University
2022-present	Member of the Faculty Board of the Master's in Transformative Sustainability, Bocconi University and Polytechnic University of Milan
2019 - present	Faculty committee, PhD in Public Policy and Management, Università Bocconi
2016 - present	Faculty committee, Master in Government and International Organisations, Università Bocconi
2020	London School of Economics <i>PhD External examiner</i>
2020	Università degli Studi di Genova <i>PhD External referee</i>

2019	Universitat Politècnica de Catalunya <i>PhD External examiner</i>
2016-2018	Organizer of the seminar series, Department of Social and Political Sciences, Università Bocconi
2015	Università di Roma Tor Vergata <i>PhD External referee</i>
2011	Oxford Brookes University <i>PhD External examiner</i>
2009-2011	Faculty committee, Master in Management, Università Bocconi

2. Scientific activities

Scientific interests and research

Economics of regulation and competition, transport and infrastructure economics, energy and environmental economics, real estate economics and urban studies.

Prof. Percoco has authored more than 150 articles (see Annex) and is a speaker in several academic and policy-oriented conferences.

Direction of and participation into research projects

2022-present	Member of the working group for the PNRR research project "Muse"
2022-present	Member of the working group for the PNRR research project "GRINS"
2022-present	Member of the working group for the PRIN research project "Fin4Green - Finance for a Sustainable, Green and Resilient Society"
2022	Coordinator of the research "Economic Impact of the 2023 Fencing World Championships," Organizing Committee of the Fencing World Championships
2019-2022	Coordinator of the research "Socio-economic Impacts of Desertification," funded by the Invernizzi Foundation
2019-2022	Member of the working group for the research project "COMmunity Models for the Energy Transition and Social Innovation (COMETS)," funded by the European Commission
2019-2022	Member of the working group for the research project "Urban and Metropolitan Agendas for Sustainable Development," funded by the Ministry of the Environment and the Protection of Land and Sea
2020 - present	Member of the research team, "Rapid Diagnostic tests (Point-of-Care) for Coronavirus and potential public health and socio-economic EU SC1-PHE-CORONAVIRUS-2020" , funded by European Commission
2019 - present	Director of "Socio-economic impact of desertification", funded by Fondazione Invernizzi
2019 - present	Member of the research team, "COMmunity Models for the Energy Transition and Social Innovation (COMETS)", funded by the European Commission
2019 - present	Member of the research team, "Sustainable urban development", funded by the Italian Ministry of the Environment
2017-2020	Co-PI, "Sharing Mobility in the Urban World" funded by AXA Research Fund
2012-2015	Co-PI, "Social and spatial interactions in the accumulation of civic and human capital", funded by the Italian Ministry of University
2012-2015	Co-PI, "SPIDER PLUS - Sustainable Plan for Integrated Development through the European Rail network - Projecting Logistics and mobility for urban spatial design evolution", funded by the European Commission.

2012-2013	Co-PI, "Urban development in Europe", funded by the European Investment Bank.
2011-2012	Co-PI, "Strategic planning and urban development" funded by SDA Bocconi
2009-2010	Co-PI, "Cost-benefit analysis of Mega-projects" funded by SDA Bocconi
2008-2009	Co-PI, "Institutional Determinants of Public Private Partnerships in Infrastructure" funded by SDA Bocconi
2007-2008	Co-PI, "Local development and regional planning" funded by SDA Bocconi
2005-2007	Co-PI, "Structural Funds and growth in European regions" funded by Università Bocconi
2005-2007	Co-PI, "Sensitivity Analysis for Portfolio Management" funded by Università Bocconi
2004-2006	Co-PI, "Uncertainty in Spatial Forecasting Models" funded by Università Bocconi

Awards and signs of recognition

2023	<i>Research Excellence Award</i> , for the paper "The Political Consequences of Green Policies: Evidence from Italy"
2022	" <i>Mondi Lucani</i> " Award given to the 8 personalities from Basilicata (Italy) who have excelled in the world
2019-2021	<i>Research Profile</i> (best 20 researchers at Università Bocconi)
2017-2019	<i>Research Profile</i> (best 20 researchers at Università Bocconi)
2015	Fellow of the Royal Geographical Society
2012	<i>Research Award</i> , Università Bocconi
2011	<i>Research Award</i> , Università Bocconi
2009	Best paper published in <i>Spatial Economic Analysis</i> , Regional Studies Association
2007	<i>Research Award</i> , Università Bocconi

Scientific and editorial committee

2023	General Conference Chair of the European Conference of the International Association for Energy Economics, Bocconi University
2023	Member of the Organizing Committee of the European Conference of the Society for Benefit-Cost Analysis, University of Milan
2021-2022	Organizing committee of the 2022 Conference of the European Real Estate Society
2021	Scientific committee of the "4th Barcelona Meeting on Transport Economics", Universitat de Barcelona
2021	Co-chair of the Special Interest Group on Economic Regulation and Pricing della World Conference on Transport Research Society
2020-ad oggi	Editorial board of <i>Management delle Utilities e delle Infrastrutture</i>
2020-ad oggi	Editorial board of <i>Politica Economica</i>
2019	Chair of the organizing committee of the International Conference of the American Real Estate and Urban Economics Association
2019	Organizing committee of the Annual conference in regional science, Gran Sasso Science Institute
2018	Organizer of the conference "Workshop in Economic Geography", Università Bocconi
2015	Organizing committee of the "Global Conference on Economic Geography", University of Oxford
2015	Organizing committee of the "Meeting of the Italian transport economicists", Università Bocconi

2013	Organizer of the conference “Megaprojects and regional development”, Università Bocconi
2005-2013	Member of the Board Associazione Italiana di Scienze Regionali (AISRe), (treasurer for the period 2005-2007)
2009- 2012	Editorial board of <i>SR-Italian Journal of Regional Science</i>

3. Institutional roles

2017-present	Bocconi University for the Ministry of Infrastructure and Transport Scientific Committee for the Evaluation of the National Operational Program 2014-2020 Infrastructure and Networks
2022-present	Ministry of Enterprises and Made in Italy Member of the Working Group on Critical Raw Materials
2021-2022	Prime Minister's Office Member of the Technical Nucleus for Economic Policy Coordination (NTPE)
2023	Ministry of Infrastructure and Transport Expert for the reform of port concessions
2021 – 2022	Ministry of Infrastructure and Sustainable Mobility Member of the Commissions on Infrastructure and Sustainable Mobility
2021 – 2022	Assolombarda <i>Steering Committee</i> of the Local public transit group
2020 - 2022	Fondazione Italia Patria della Bellezza Member of the Advisory Board
2019 - 2021	United Nations Economic Commission for Europe (UNECE), <i>Vice-chairman</i> of the Bureau of the Working Party on Public-Private Partnerships
2017-present	Ministry of Infrastructure and Sustainable Mobility Scientific committee for the evaluation of the 2014-2020 infrastructure investment plan
2020- 2021	United Nations Economic Commission for Europe (UNECE) – World Health Organization (WHO) Pan-European Programme, <i>Expert</i> , Task force “Development of green and healthy sustainable transport principles”
2019-2020	Prime Minister Office Economic adviser, Evaluation Unit (Nucleo di Valutazione e Verifica degli Investimenti Pubblici, NUVV)
2019	Prime Minister Office Economic adviser, Regulation Unit (Nucleo di consulenza per l’Attuazione delle linee guida per la Regolazione dei Servizi di pubblica utilità, NARS)

4. Professional activities

Areas of activity

Adviser in infrastructure economics, regulatory disputes, antitrust cases, with specific reference to:

- a) Regulatory consulting in disputes regarding the Transport and Energy Authorities
- b) Economic and financial consulting activity for investment projects in regulated industries and in the real estate sector, even in form of public-private partnerships
- c) Expert opinion in disputes in administrative and civil tribunals regarding concessions, regulation and antitrust

- d) Expert opinion and harm evaluation by means of counterfactual techniques in cases of antitrust private enforcement

Professional career:

2023-present:	Independent Adviser
2022:	The Brattle Group Academic Adviser
2019-2022:	Independent Adviser
2000-2018:	Cohen & Co., Milano Senior Adviser

Recent consulting projects (selection of projects in the last 3 years):

- Arbitrator in a port concession dispute;
- Economic and financial evaluation of a large urban and port regeneration project
- Assistance to the Government of Ireland in drafting guidelines for the evaluation of carbon neutrality and climate resilience of infrastructure investments
- Financial rebalancing assistance for a maritime concession following the "Giudecca Decree"
- Member of the technical advisory board with functions as an arbitral tribunal for the resolution of a port concession
- Adviser to a Port Authority for the financial re-equilibrium of a terminal concession
- Evaluation of real estate development projects in Puglia, Sardegna, Milano, Roma
- Opinion regarding the regulatory WACC of a highway operator;
- Evaluation of Milano Cortina 2026;
- Evaluation of a gas storage project;
- Opinion on the regulatory WACC of two gas distribution operators;
- Cost-benefit analysis of renewables development and of gas distribution projects;
- Evaluation of traffic flows forecasts for highway concessions;
- Opinion on the fiscal impact of a concession;
- Regulatory due diligences for energy, highway and airport brownfield investment (on behalf of private equity investors);
- Opinion on the relevant market in an antitrust case (maritime sector);
- Opinion on the economic damage in antitrust cases (maritime, urban transport, automotive sectors);
- Opinion on slot allocation (pre-dispute)

Corporate Governance Roles

2023 – present:	SINELEC ENERGY SpA (ASTM Group) Member of the Board of Auditors
